301

Brief Notification dated 23rd November 1956.

The attention of the public is invited to the Notification calling for tenders for the work of providing additional accommodation to Cleveland Town Police Station, Civil Area, Bangalore City, published in the *Mysore Gazette*, Part VI, pages 2829-30, dated 29th November 1956.

The last date for the receipt of tenders is up to 3 P.M. on 14th December 1956.

The earnest money is Rs. 453.

302

Notification dated 26th November 1956.

Tenders will be received in the Office of the Executive Engineer, Buildings Division, Bangalore, up to 3 P.M. on 14th December 1956, for the following work :—

Name of work	Amount of estimate Rs.	Earnest money Rs.
Providing sanitary fittings, water supply and sub-connections to the 1st floor over the cellar and ground floor of Natural Science Block, Central College, Bangalore.	24,000	1,076

1. Each tender must be accompanied by a duplicate challan for having deposited the earnest money noted against the work into the Reserve Bank of India, Bangalore, to the credit of "P. W. Deposits—2 Advances, Revenue Deposits" in default of which the tender will be rejected.

2. Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

3. Copies of the contract documents, schedules and drawings may be seen at the Office of the Executive Engineer, Buildings Division, Bangalore, on all working days between 11 A.M. and 5 P.M.

4. The tenderer need only mention the rates for each item of work of the abstract estimate both in words and in figures, at which he is willing to undertake the work, without which the tender will be rejected. The total cost of each item of work together with the grand total of each work should also be noted in the tender.

5. Tenders submitted in duplicate in other than the prescribed form will be rejected, the prescribed form being available at the Division Office on payment of Re. 0-8-0 per copy.

6. The detailed clauses defining the conditions of the tender can be seen at the Office of the Executive Engineer, Buildings Division, Bangalore.

7. Items not provided for in the estimate will be paid for as per schedule of rates or as per data worked out, if not provided for in the schedule of rates during the time of execution.

8. The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

9. If the work is not completed and handed over within the specified period, a fine of Rs. 50 will be levied for every fortnight's delay.

10. The final acceptance or recommendation for acceptance will rest with the Chief Engineer, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary *mutchalika* on receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

11. Under no circumstances will a father and his son or other close relations be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both the parties liable for rejection.

12. The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of work to be done and of the schedule of rates, etc.

13. In all matters of disputes about rates, measurements, quantity and quality of work, etc., and in all other disputes of any kind, the decision of the Chief Engineer for Roads and Buildings in Mysore, Bangalore, will be final and legally binding.

14. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

15. The contractors will please note that the conditions will in no case be relaxed.

16. Those who cannot abide by the conditions need not tender.

17. The work should be completed within *four months* from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.

19. Sales-tax will be recovered at the prescribed rate on all work bills.

20. The tenderer should produce the Income-tax Clearance Certificate from the Income-tax Commissioner along with the tender without which the tender will not be considered.

21. Sales-tax and Income-tax Clearance Certificates should also be enclosed along with the tender in the prescribed form as per Government Order No. Fl. 4267-4416—S.T. 32-53-2, dated 20th August 1953, failing which the tender will be rejected.

T. HUCHVEERIAH,
Ex. Engr.

270

OFFICE OF THE EXECUTIVE ENGINEER, No. 1 SANITARY DIVISION, BANGALORE-9

Abstract Notification dated 23rd November 1956.

Attention of the public is invited to the Notification dated 24th October 1956 appearing on page No. 2614, part VI dated 1st November 1956 calling for Tenders fixing last date 12th November 1956 is hereby extended up to 4 P.M

on 17th December 1956 for the undermentioned works only.

		Rs. Rs.		Rs.
1	Labour portion for laying distribution system for giving water supply to Gubbi Town, Tumkur District.	7,553 378	3 months	2,518
2	Labour portion for providing and laying 4" C.I. Raising main for Gubbi Water Supply Works.	3,137 157	2 months	1,569

228

Notification dated 13th November 1956.

Sealed tenders in duplicate duly signed by the contractors will be received in the Office of the Executive Engineer, No. 1 Sanitary Division, Bangalore, up to 4 P.M. on 10th December 1956, for the following works:—

Sl. No.	Name of work	Amount of estimate	Earnest money deposit	Work to be completed within	Monthly progress
		Rs.	Rs.		Rs.
1.	Labour portion for providing distribusion system under Improvements of Water Supply to Tumkur Town.	10,120	506	3 months	3,374

1. The contractor shall quote for each individual item of work in the estimates and the rates quoted shall hold good if the tender is accepted within six months from the date of tender.

2. The Executive Engineer reserves the right to accept or to reject any tender without assigning any reasons therefor.

3. For lumpsum provision or for non-tendered items, the rates will be paid as per current minimum schedule in the case of scheduled items and data rate with 10 (ten) per cent profit for items which do not find place in the schedule.

4. No conditional clauses will be accepted.

5. No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

6. Tenders will not be considered unless they are in the form which will be supplied on payment of Re. 1-0-0 at the Office of the Executive Engineer.

7. The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

8. Each tender should be accompanied by Duplicate Treasury Chellan for rupees as stated above as earnest money paid to the Treasury to the credit of 'Revenue Deposits'.

9. The final acceptance of the tender will rest with the competent authority. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, No. 1 Sanitary Division, Bangalore, on all working days during office hours.

10. The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11. The cost as per current rate of cement and steel or value at the issue rates at the time of execution will be recovered in cash in case they are supplied by the department. The materials can be had from the nearest Departmental Stores.

12. Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

13. Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of these works, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14. The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "specific" items of work to be done according to the instructions of the Officers of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15. The department does not undertake the responsibility to supply lorries to the contractor.

16. Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17. The works should not be sublet.

18. The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, shoring on sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

19. The contractor should furnish income-tax and sales-tax clearance certificates along with the tender as per rules.

20. The contractor will, as far as practicable, recruit the personnel required by him through the nearest employment exchange in the region.

21. The contractor should furnish the tender in duplicate only.

22. Those who require tender forms by post should enclose necessary postage stamps.

23. Plumbers holding license from the Controller of Stores (P.W.D) or Executive Engineer, Water Supply Division, Bangalore only will be accepted.

24. Sales-tax or any other tax on materials in respect of the contract shall be payable by the contractor and Government will not entertain any claim whatsoever in this respect.

25. No enhanced rates will be paid at any time due to fluctuation of rates in market in respect of cement and steel and other materials.

26. The name of the work shall be superscribed on the cover for the specific works for which tenders are called for.

27. The rates should be entered clearly both in figures and in words. No additions or alterations in the form, nor any conditions shall be made and such tenders will not be considered.

28. The rates quoted in the tender forms shall hold good till the completion of the work irrespective of fluctuation in the market rates.

K. S. RAJASEKHARIAH,

6 The final acceptance of the tender will rest with the competent authorities. For non-tendered item of work the minimum schedule of rates will be given if the items should be scheduled items, otherwise rates arrived at from data sheets as per actuals with 10 per cent contractor's profit will be given.

7 Separate charges will not be paid for baling water.

8 Sales-tax or any other tax on materials in respect of the contract shall be payable by the contractor and Government will not entertain any claim whatsoever in this respect.

9 The contractor will as far as practicable recruit the personnel required by him through the nearest Employment Exchange in the region.

10 Sales-tax will be recovered at the prescribed rate on all the bills.

11 Sales-tax and income-tax clearance certificates shall also be enclosed along with the tender in the prescribed form as per G. O No. Fl. 4267-44 16—S.T. 32-53-2, dated 20th August 1953, failing which, the tender will be rejected.

R. A. SAMPATH IYENGAR,
271 *Ex. Engr.*

OFFICE OF THE EXECUTIVE ENGINEER, INDUSTRIES DIVISION, GOVERNMENT PORCELAIN FACTORY PREMISES, BANGALORE.

Notification dated 12th October—22nd November 1956.

Sealed tenders superscribed as "Tender for constructing Workshop sheds both at Shimoga and Chikmagalur" at an approximate amount of Rs. 45,000 each shed, will be received in the Office of the Executive Engineer, Industries Division, Government Porcelain Factory Premises, Bangalore-3, up to 4 P.M. on 17th December 1956.

The forms are available in the Office of the Executive Engineer, Industries Division, Bangalore-3, which may be purchased at a cost of Re. 1 each, during the office hours on all working days up to 5 P.M.

2 Tenders which are not in the prescribed form shall not be considered. Tenders should be submitted in duplicate issued by this office.

3 Rates should be quoted both in figures as well as in words. Quoting rates on percentage basis will be rejected.

4 A deposit of earnest money of Rs. 2,000 for each shed to be paid into the Government Treasury under the account head 'Revenue Deposits' and the challan shall be attached to the tender. Tenders which are not accompanied by the deposit will not be considered.

5 The last date for the receipt of the tender is 17th December 1956, up to 4 P.M. and will be opened on 19th December 1956 at 4 P.M.

6 The drawings, schedule of quantities and specifications may be seen by intending contractors at the Office of the Executive Engineer, Industries Division, Government Porcelain Factory Premises, Bangalore 3, during working hours.

7 No additions or alterations in the tender form nor any conditions shall be made and such will not be considered.

8 The rates quoted in the tender forms shall hold good till the completion of the work.

9 Quantities mentioned in the schedule are approximate and liable to be increased or decreased. No extra rate will be deserved to meet reduction or increase.

10 The work should be completed within three months from the date of agreement and the progress secured every month shall not be less than Rs. 15,000.

11 The contractor shall make use of any plant or machinery that may in the interest of speedy execution of the work be necessary. If any departmental tools and plant or machinery are required and if these could be supplied by the department, hire charges at the rate fixed by the Executive Engineer, shall be recoverable from the contractors.

12 The contractor shall hand over the work on or before the date mentioned in the agreement and if he fails to do so liquidated damages at the rate of Rs. 10 per day shall be recovered from the bills of the contractor.

13 The rates quoted shall be deemed to be inclusive of all taxes, *viz.*, sales-tax, income-tax, payable to the Government or Municipalities. The successful contractor shall furnish all income-tax clearing certificates at the time of execution of the agreement and failure to produce the certificate will entail cancellation of the contract and forfeiture of the deposit.

14 The contractor whose tender is accepted will be informed in writing by the Executive Engineer at the earliest opportunity. Failure to execute the required agreement within a week of the receipt of a notice from the Executive Engineer to do so the deposit will be forfeited.

15 The successful contractor shall execute any extra work or any deviation for sanctioned estimate ordered by the Executive Engineer and he shall be paid the minimum of rates sanctioned in the schedule of rates which will be worked out on the basis of data of cost of material and workmanship prevailing at the time of execution of the work.

16 The decision of the Director of Rural Industrialisation, Bangalore-2, shall be final and binding on the contractor on all matters of disagreement in respect of this work.

17 The contract should not be sublet.

18 The materials such as cement, iron and A.C. sheets or zinc sheets will be supplied departmentally and cost will be recovered from the contractor's bills.

19 The work should be completed within three months.

20 Items not provided for in the estimate will be based as per schedule of rates or as per data worked out if not provided for the schedule during the time of execution of the work.

21 Work may be distributed to different tendered contractors as per approved lowest rates, for speedy execution at the decision of the Executive Engineer.

22 The tenders for each of the Workshop sheds at Shimoga and Chikmagalur should be separately sent along with the respective treasury receipts for the earnest money of Rs. 2,000 each.

B. V. PATANKAR,
193 *Ex. Engr.*

GOVERNMENT OF MYSORE—ELECTRICAL DEPARTMENT.

OFFICE OF THE EXECUTIVE ENGINEER, ELECTRICAL DIVISION, BANGALORE.

Abstract Notification dated 16th November 1956

The attention of the public is drawn to the Gazette notification published on pages 2748-49, Part VI of the *Mysore Gazette* of 22nd December 1956 calling for tenders for the construction of One Block of 2 Linemen Quarters at Banagere, Bangarpet Taluk. 1921

Notification dated 28th November 1956.

Sealed tenders in duplicate duly signed by the contractors will be received in the Office of the Executive Engineer, Electrical Division, Bangalore, up to 2 P.M. on 26th December 1956, for the following works:—

Sl. No.	Name of work	Approximate amount	Earnest money	Period of completion	Monthly minimum progress
	At Thippagondanahally.				
		Rs.	Rs.		Rs.
1	One block of Junior Engineer's Quarters	9,500	491	5 months	2,000
2	One block of Line Mechanic Quarters	4,617	225	4 months	1,200
3	One block of 2 Linemen Quarters—				
	Block I	4,800	240	4 months	1,200
	Block II	4,800	240	Do	1,200
	Block III	4,800	240	Do	1,200

1 The tenders will be opened in public at 3 P.M. on 26th December 1956.

2 The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

3 The tender will hold good till the acceptance or otherwise by the competent authorities.

4 For lumpsum provision or for non-tendered items, the rates will be paid as per current minimum schedule in the case of scheduled items and rate with (ten) 10 per cent of the profit for items which do not find place in the schedule.

5 No conditional clauses will be accepted.

6 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

7 Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Electrical Division, High Grounds, Bangalore-1.

8 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which his tender will be cancelled unconditionally and his earnest money will be forfeited.

9 Each tender should be accompanied by a receipt towards earnest money paid in cash at the Office of the Executive Engineer, Electrical Division, High Grounds, Bangalore.

10 The final acceptance of the tender will rest with the competent authority. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Electrical Division, High Grounds, Bangalore-1, on all working days during office hours.

11 The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

12 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 15 per cent on cost of the materials supplied from the Department will be charged as centage.

13 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

14 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15 The term "specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Civil Engineering Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

16 The Department does not undertake the responsibility to supply lorries to the contractors.

17 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

18 The works should not be sublet.

19 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, and bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

20 The contractor should furnish income-tax clearance and sales-tax clearance certificates along with the tender as per rules.

21 The contractor will, as far as practicable, recruit the personnel required by him through the nearest Employment Exchange in the region.

22 The contractor should furnish the tender in duplicate only and should there be any difference in rates between the original and duplicate, the lowest of the two only will be considered.

1964

Notification dated 28th November 1956.

Sealed tenders in duplicate duly signed by the contractors will be received in the Office of the Executive Engineer, Electrical Division, Bangalore, up to 2 P.M. on 26th December 1956, for the following works:—

B. N. SRIHARSHAN,
Executive Engineer.

282

OFFICE OF THE EXECUTIVE ENGINEER, SANITARY DIVISION, MYSORE.

Notification dated 30th November 1956.

Sealed tenders duly signed by the contractor will be received at the Office of the Executive Engineer, No. 2 Sanitary Division, Mysore, up to 4 P.M. on 17th December 1956, in connection with the following works:—

Sl. No.	Name of work	Amount of estimate.	Earnest money to be deposited.	Period in which work is to be completed
		Rs.	Rs.	
1	Constructing an R.C.C. overhead tank of 50,000 gallons capacity on 40' staging at Nagamangala for Water Supply Works.	23,700	1,185	6 months
2	Constructing a Twin Quarters for Mechanic and Head Fitter for Nagamangala Water Supply Works ...	8,850	443	4 months

2. The prescribed tender forms are to be had at the Office of the Executive Engineer, Sanitary Division, Mysore, on payment of Re. 0-8-0 per form. Tenders submitted in forms other than the printed forms will be rejected.

3. Each tender must be in duplicate and is to be accompanied by a duplicate treasury challan for having credited the amount noted against each work as earnest money under "Revenue Deposits". S.B. Pass Books or any other adjustment or amount due by Government to the tenderers will not be considered. Each tender to be superscribed as "Tender for Nagamangala Town Water Supply Works" without which the tender will be rejected.

4. Detailed estimates, plans and specifications may be seen in person by the tendering contractors in the office of the undersigned between working hours on all working days.

5. Specific rates should be quoted for each individual item of work both in figures and in words which should be inclusive of all taxes prevailing in the area. Tenders

offering percentage reduction or increase will not be considered.

6. No conditional clauses will be accepted.

7. For lumpsum provision for non-tendered items, rates will be paid as per minimum current schedule or as per data with not more than 10 per cent for contractor's profit for non-scheduled items.

8. The final acceptance of the tender will rest with the Superintending Engineer, Sanitary Circle, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

9. The successful tenderer should bind himself to abide by the departmental rules in force and start the work duly executing necessary contract agreement within a week from the date of communication of approval of his tender, failing which, the earnest money will be forfeited to Government. Uniform progress should be given in each month and work should be completed by stipulated time failing which penal clauses may be enforced.

10. The earnest money of the rejected tenders will be refunded on application, only after any of the tenders is approved or after two months from the date of receipt of tenders. The reserve and earnest money of the successful tenderer will be repaid only at the time of settlement of final claims.

11. All over-writings and corrections while submitting the tenders should be attested to by the tenderers. In the event of any difference in rates quoted in the two copies lower rate of the two should hold good.

12. The quantities given in the estimate are only approximate and drawings shown to the contractors are only tentative and are liable to alterations, omissions, deductions or any additions at the discretion of the Executive Engineer or any higher authority. The tendered rates will hold good for any quantity, less or more than those given in the estimate.

13. In case of any accident to the labour employed by the contractor during the course of construction, the accepted tenderer should pay the compensation to the injured as per rules of Government in force, failing which the amount will be deducted out of his claims and paid to the injured.

14. The contract should not be sublet.

15. The name of the successful contractor whose tender has been accepted will be posted on the notice board in the Office of the Executive Engineer in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

16. Rates once tendered will not be enhanced on any account and should hold good till the work is completed.

17. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

18. The income-tax and sales-tax clearance certificates should be enclosed along with the tender received without the certificates are liable to be rejected.

19. Controlled articles like cement and steel, etc., will be issued if available at stores at rates current at the time of issue ex-departmental stores.

20. The tenderer should arrange to afford all facilities free of cost, for testing the lead joints section by section, to withstand the working pressures. During a period of three months after the line is charged if any defects are noticed they will have to be rectified by the contractor at his own cost after which the final claims will be settled.

21. Proper arrangements for barricading, lighting and arranging for watchmen along the pipe line wherever necessary and specially at the main road crossings, for public convenience and safety of traffic should be provided by the tenderer at his own cost, failing which, the contractor will be held responsible for any accidents due to negligence on his part and cost of arrangements made by the department in this behalf will be recovered from the contractor's bill.

322 K. NAGESWARA IYER, *Ex. Engr.*

MYSORE DIVISION, MYSORE.

Notification, dated 20th November 1956.

Sealed tenders are invited from intending purchasers for the purchase of 60 old tyres (approximately) of Lorry, Jeep etc., available at Mysore Division.

The last date for the receipt of tender is 10th December 1956 till 4 P.M.

Each tender should be accompanied by a Bank chellan of Rs. 50 as earnest money paid to the Bank to the credit of Revenue Deposits.

The successful tenderer should clear the goods within three days from the date of intimation of acceptance of his tender, failing which his tender will be cancelled unconditionally and the earnest money will be forfeited.

The discretion of disposing of the tender will rest with the undersigned.

322

Notification dated 26th November 1956.

Sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, Mysore, upto 4 P.M. on Monday, the 24th December 1956, for the following work :—

Taluk	Place	Name of work	Amount of estimate	
			Estimate Rs.	Earnest money Rs.
Heggaddevanakote Taluk.	H.D. Kote.	Constructing of two additional rooms to the Primary Boys' School at Heggaddevanakote.	5,000	250

1 The work is to be completed within 2 months and the monthly progress should not be less than Rs. 2,500.

2 The prescribed tender forms can be had at the Office of the Executive Engineer, Mysore Division, Mysore, on payment of rupee one per form. Tenders submitted in forms other than the printed forms will be rejected. The name of the tenderer should also be superscribed on the top of the cover.

3 Tenders to be quoted on the rates of individual items of works instead of quoting on percentage basis.

4 Each tender must be accompanied by a duplicate chellan for having credited into the treasury the required deposit amount under "Revenue Deposits" of Mysore Government bonds, duly endorsed at full value or market value whichever is less, as earnest money. Tenders not accompanied by a treasury chellan for having credited the earnest money will be rejected.

5 The items not mentioned for the estimate will be calculated as per schedule of rates and items not covered by the schedule of rates as per rates worked out during the execution of work.

6 Estimates and other particulars can be had for inspection in the Office of the Executive Engineer, Mysore Division, Mysore, on all working days between 2 P.M. and 5 P.M.

7 The final acceptance or the recommendation for acceptance will rest with the Executive Engineer, Mysore Division, Mysore, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

8 The successful contractor should bind himself to abide by the departmental rules in force and should execute the necessary '*Mutchalika*' within a fortnight from the date of receipt of intimation of acceptance of his tender, failing which his earnest money will be forfeited.

9 No conditional clause will be accepted.

10 No sales-tax, octroi tax, prevailing in the area will be admitted by the department.

11 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

12 The rates quoted will hold good till the acceptance or otherwise by the competent authority.

13 The submission of the tender by a contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

14 If the work is not completed and handed over within the specified time, a fine of Rs. 50 will be levied for every fortnight's delay.

15 Tendered contractor has to pay compensation to his disabled workmen under him for any injury caused during the execution of the work, failing which, the amount will be deducted from the bill and paid to the injured.

16 Sales-tax and Income-tax clearance certificates should be produced along with the tender.

17 The tender should be submitted in duplicate.

18 The reserve and earnest money of the successful tenderer will be repaid only at the time of settlement of final claims.

19 All over-writings and corrections while submitting the tenders should be attested to by the tenderer.

20 The quantities given in the estimate are only approximate and drawings shown to the contractors are only tentative and are liable to alterations, omissions, deductions or any additions at the discretion of the Executive Engineer, Mysore Division, Mysore, or any higher authority. The tender rates will hold good for any quantity, whether higher or lower than those given in the estimate.

B. P. SURENDRA,
323 *Ex. Engr.*

		Rs.	Rs.		Rs.
1	Restoration of Malliahnakatte near Hundipura in Gundlupet Taluk.	23,600	1,180	March 1957.	3,000

2. Prescribed tender forms in duplicate can be had at the Office of the Executive Engineer, Nanjangud Division, Mysore, on payment of one rupee *per set*. Tenders submitted in forms other than the printed forms will be rejected.

3. Each tender must be accompanied by a duplicate treasury chellan for having credited the amount of (1) Rs. 1,180 (Rupees one thousand, one hundred and eighty only) as earnest money under 'Revenue Deposits'. Savings Bank Pass Books or any other adjustments of amount due by Government to the tenderer will not be considered and it should be superscribed on envelopes as "Tenders for Restoration of Malliahnakatte near Hundipura in Gundlupet Taluk.

4. Specific rates should be quoted for each individual item of work which should be inclusive of all taxes prevailing in the area, and tendered rates should be in words also. Tenderers offering percentage reduction or increase will be rejected.

5. For lumpsum provision or for non-tendered items, the rates will be paid as per current schedule of rates.

6. The final acceptance of the tender will rest with the Superintending Engineer, Cauvery Circle, Mysore, who will not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection, if any.

7. The successful tenderer should bind himself to abide by the departmental rules in force and execute necessary contract agreement within a fortnight from the date of communication of approval to his tender, failing which the earnest money will be forfeited to Government.

8. The earnest money of the rejected tenders will be refunded on application only after the receipt of the approval to the successful tender is received.

9. All corrections and over-writing while submitting the tenders should be attested by the tenderer.

10. The quantities given in the estimate are only approximate and drawings shown to the contractor are only tentative and liable to alterations, omissions, deductions and additions at the discretion of the Executive Engineer, Nanjangud Division, Mysore, or any higher authority. The tender rates will hold good for any quantity whether higher or lower than those given in the estimate.

11. The contract should not be sublet.

12. In the case of any accident to the labour employed by the contractor during the course of construction the contractor should pay the compensation to the injured as per rules of Government in force, failing which the amount will be deducted out of his claims and paid to the injured.

13. In case the work is not completed in time, penal clause of agreement for the short progress will be enforced.

14. Tenders received after the due date and time mentioned will be rejected.

15. Name of the successful tenderer, whose tender has been accepted will be notified on the notice board in the Office of the Executive Engineer, Nanjangud Division, Mysore, in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

16. Rates tendered will not be enhanced on any account.

17. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

18. The Income-tax clearance certificates to be enclosed along with the tender. Tenders received without the certificates are liable to be rejected.

19. Detailed estimates, plans and specifications may be seen in person by the tendering contractors at the office of the undersigned between 11 A.M. and 5 P.M. during all working days.

20. Reserve and earnest money deposits will be repaid only at the time of settlement of the final bill.

21. The department does not undertake the responsibility to supply lorries to contractor.

22. The tender will hold good till the acceptance of otherwise by the competent authorities.

23. No conditional clauses will be accepted.

24. The rates quoted in the tender forms shall hold good till the completion of the work irrespective of fluctuation of the market.

B. K. VENKATARAMIAH,
241 *Ex. Engr.*

KRISHNARAJASAGAR DIVISION, KRISHNARAJASAGAR.

Notification dated 22nd November 1956.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara, up to 4 P.M. on 17th December 1956.

Name of Work	Amount of Estimate	Earnest money
	Rs.	Rs.
Construction of Field, Office, Watchman shed, Excavating shallow ponds, Fencing for fish farm, etc.	8,640	432

1 Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Krishnarajasagar Division, Krishnarajasagar in a sealed cover and superscribed as "Tender for Construction of Field, Office, Watchman shed, Excavating shallow ponds, fencing for fish farm, etc. The name of the tenderer should also be noted on the top of the cover. The tenders should be sent in duplicate.

2 Each tender must be accompanied by a treasury chellan, for having deposited the required amount as noted above under "Revenue Deposits." No cheque will be accepted for earnest money. Requisitions for adjustments of any dues from the Government to the contractor for earnest money will not be entertained.

3 The final acceptance of the tender will rest with the Executive Engineer or the Superintending Engineer, Cauvery Circle, as the case may be who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection, if any.

4 The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval to him.

5 The earnest money of the rejected tenders will be refunded on application, only after disposal of tenders by competent authority.

6 Copies of estimates and plans can be seen in the Office of the Executive Engineer, Krishnarajasagar Division, Krishnarajasagar, on all working days between 11 A.M. and 5 P.M.

7 Specific rates should be quoted both in figures and in words for each individual items of work. Tenders offering percentage reduction or increase will be rejected.

8 For all lumpsum items, only the minimum schedule of rates or data *plus* 10 per cent contractor's profit will be given if the rates do not appear in the Schedule of Rates.

9 All overwritings and corrections while submitting the tenders should be attested by the tenderer.

10 The quantities given in the estimate are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Departmental Officers. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

11 The contract should not be sublet.

12 The contractor should make his own arrangements for transportation of materials.

13 The contractor is responsible for all accidents to workmen, etc., on the work and he must take precautions against all risks of accidents and if necessary, provide for the same by insurance at the proper time. The contractor should arrange for the payment of royalty, tolls, taxes, etc.

14 The sales-tax and income-tax clearance certificates should be furnished along with the tenders.

15 Rates need not be quoted for all lumpsum items.

16 No conditional clause will be accepted.

17 Prescribed tender forms may be had at the Office of the Executive Engineer, Krishnarajasagar Division, Krishnarajasagar on payment of Re. 0-8-0 per form.

18 If the monthly rate of progress falls short of the minimum or if the building is not given to the Department in its full form within the stipulated period, the Executive Engineer will have the right to forfeit the earnest money and any loss to Government by way of entrusting the work to some other contractor will also be recovered.

B. S. VENKATESIAH.
243 *Ex. Engr.*

OFFICE OF THE EXECUTIVE ENGINEER, UPPER CAUVERY DIVISION, KRISHNARAJANAGAR.

Notification dated 13th November 1956.

Sealed tenders in duplicate duly signed by the contractors will be received in the Office of the Executive Engineer, Krishnarajanagar Division, Krishnarajanagar, up to 4 P.M. on 18th December 1956, for the following work :—

Sl. No.	Name of work	Amount of estimate	Earnest money	Work to be completed by the end of	Monthly stipulated progress
		Rs.	Rs.		Rs.
	Restoring Bevinahally Bowalikatte (minor), Krishnarajpet Taluk.	11,250	550	June 1957	2,000

1 The contractor shall quote for each individual item of work both in words and figures in the estimate and the rates quoted shall hold good till the work is completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

2 The tender will hold good till the acceptance or otherwise by the competent authorities.

3 For lumpsum provision or for non-tendered item the rates will be paid as per current minimum schedule in the case of scheduled items or as per data as will be fixed by the undersigned.

4 No conditional clause will be accepted.

5 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

6 Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of Re. 1 for each form at the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar.

7 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which his tender will be cancelled unconditionally and his earnest money will be forfeited.

8 Each tender should be accompanied by a Treasury Challan for Rs. 550 as earnest money paid to the Treasury to the credit of "Revenue Deposits—P.W.D."

9 The final acceptance of the tender will rest with the Chief Engineer. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, on all working days during office hours.

10 The department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional ten per cent on cost of the materials supplied from the Department will be charged as centage.

12 Reserve and earnest money deposits will be repaid only at the time of settlement of the final bill.

13 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14 The rates tendered will include royalty for earthwork, stone, bricks, sand and also taxes payable to Government.

15 The term "specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

16 The department does not undertake the responsibility to supply lorries to the contractor.

17 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

18 The works should not be sublet.

19 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries. No extra amount will be paid for any of the above items.

20 Income-tax and Sales-tax clearance certificates granted by the respective officers should accompany.

21 A certificate issued by a competent authority to the effect that the tenderer has executed the works of considerable magnitude should invariably accompany the tender and this will be one of the essential factors in awadgrin the contract.

22 Solvency certificate to the extent of the tendered amount granted by the conversant Revenue authorities should accompany.

23 The tenderer should specifically mention in the tender, the minimum time within which he is capable of completing the work. This will be one of the main and important factors in disposing of the tenders.

24 Tenders not fulfilling any of the conditions or not furnishing any of the certificates noted in the notification will be disqualified.

25 The work should be completed within the prescribed time, failing which a penalty of Rs. 50 per day will be levied and recovered from the bills of the contractor and if it is not realised, the dues will be treated as Land Revenue and recovered accordingly.

N.B.—All the above terms should be strictly adhered to and disregard of the above will disqualify the tender.

244 B. S. NAGESHA RAO, *Ex. Engr.*

SHIMOGA DIVISION.

Notification dated 16th November 1956.

Sealed tenders duly signed by the contractors will be received for the following works in the office of the Executive Engineer, Shimoga Division, up to 4 P.M. on 10th December 1956.

Sl. No.	Name of work	Amount of estimate Rs.	Earnest money deposit Rs.
	Last date : 10th December 1956.		
1	Constructing an R.C.C. Bridge across Bommanakattehalla at 5/2 of Shimoga-Ramanagar Road.	22,000	1,100

1 Each tender must be accompanied by a duplicate Treasury challan for having credited the amount as noted above being the earnest money under "Revenue Deposits".

Tenders not accompanied by the Treasury challan for having credited the earnest money will be rejected. Requests for adjustment of amount due by Government will not be considered. The contractor should quote rates for each individual item of work in the estimate both in figures and in words.

2 No cheques will be accepted.

3 The successful contractor shall bind himself to abide by the Departmental rules in force and shall execute the necessary *mutchalika* within a fortnight from the date of receipt of information of acceptance of his tender, failing which, his earnest money will be forfeited.

4 The final acceptance of the tender rates rest with the competent authority, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

5 No conditional clause will be accepted.

6 The rates to be quoted should be inclusive of sales-tax, octroi-tax and any other tax prevailing in the area.

7 The contractor must make his own arrangements for conveying materials.

8 Copies of the tender forms may be had from the office of the Executive Engineer, Shimoga Division, Shimoga, on payment of annas four per form.

9 The plan, estimates and other particulars relating to the work will be available in the Office of the Executive Engineer, Shimoga Division, between 11 A.M. and 5 P.M. on all working days.

10 For lumpsum provision and for items not provided in the estimate the rates will be paid as per current schedule of rates. For items of works not found in the schedule of rates, the rates as per approved data will be paid.

11 The earnest money deposit of the unsuccessful tenderer is refundable after acceptance of tender by competent authority or after two months from the date of receipt of tenders whichever is earlier.

12 The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding till the execution of the entire work.

13 The sales-tax and income-tax clearance certificates should be enclosed along with the tender and tenders received without the certificates are liable to be rejected.

14 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries. No extra amount will be paid for any of the above items.

16 If the work is not completed and handed over within the specified time, a fine of Rs. 150 will be levied for every month's delay.

17 The successful contractor shall execute any extra work over the sanctioned quantity at his tender rates and any deviation as ordered by the Executive Engineer and he shall be paid at the minimum rates of the year.

18 Controlled articles like cement, steel, etc., will be issued at rates current at the time of issue only on "CASH BASIS" if available at the time of requirements in the Divisional Stores.

19 The contract should not be sublet otherwise the tender will be cancelled and the earnest money forfeited.

20 The term specification mentioned cited in the schedule or in the estimate in the notified forms would mean "SPECIFIC" item of work to be done according to the instruction of P.W.D., with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

21 The contractor shall make use of any plant machinery that may in the interest of speedy execution of the work be necessary to be made use of. If any departmental tools, plants or machinery are required and if supplied departmentally, hire charges at the rate fixed by the Executive Engineer shall be recoverable from the contractor.

22 No correspondence will be entered into regarding the acceptance or rejection of any of the tenders.

23 The discretion of the Chief Engineer, Bangalore, shall be final and binding legally on contractors on all matters of disagreement in respect of the work.

24 The tender should be submitted rates in duplicate. Only the lower rates in two copies will be adopted in the event of there being difference in the rates mentioned.

119

Notification dated 19th November 1956.

Sealed tender duly signed by the contractors will be received for the following work in the office of the Executive Engineer, Shimoga Division, up to 4 P.M. on 10th December 1956.

Serial No.	Name of work	Amount of Estimate	Earnest Money Deposit
		Rs.	Rs.
1.	Constructing an R.C.C. bridge across Hulihasappanahalla in Bhadravathi-Holehonnur Road.	17,000	850

1. Each tender must be accompanied by a duplicate treasury challan for having credited the amount as noted above being the earnest money under "Revenue Deposits." Tenders not accompanied by the treasury chellan for having credited the earnest money will be rejected. Requests for adjustment of amount due by Government will not be considered. The contractor should quote rates for each individual item of work in the estimate both in figures and in words.

2. No cheques will be accepted.

3. The successful contractor shall bind himself to abide by the departmental rules in force and shall execute the necessary *mutchalika* within a fortnight from the date of receipt of information of acceptance of his tender, failing which, his earnert money will be forfeited.

4. The final acceptance of the tender rates rests with the competent authority, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

5. No conditional clause will be accepted.

6. The rates to be quoted should be inclusive of sales-tax, octroi tax and any other tax prevailing in the area.

7. The contractor must make his own arrangements for conveying materials.

8. Copies of the tender forms may be had from the office of the Executive Engineer, Shimoga Division, Shimoga, on payment of annas four per form.

9. The plan, estimates and other particulars relating to the work will be available in the office of the Executive Engineer, Shimoga Division, between 11 A.M. and 5 P.M. on all working days.

10 For lumpsum provision and for items not provided in the estimate, the rates will be paid as per current schedule of rates. For items of works not found in the schedule of rates, the rates as per approved data will be paid.

11. The earnest money deposit of the unsuccessful tenderer is refundable after acceptance of tender by competent authority or after two months from the date of receipt of tenders whichever is earlier.

12. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding till the execution of the entire work.

13. The sales-tax and income-tax clearance certificates should be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

14. Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15. The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries. No extra amount will be paid for any of the above items.

16. If the work is not completed and handed over within the specified time, a fine of Rs. 150 will be levied for every month's delay.

17. The successful contractor shall execute any extra work over the sanctioned quantity at his tender rates and any deviation as ordered by the Executive Engineer and he shall be paid at the minimum rates of the year.

18. Controlled articles like cement, steel, etc., will be issued at rates current at the time of issue only on "Cash Basis", if stock available at the time of requirements.

19. The contract should not be sublet otherwise the tender will be cancelled and the earnest money forfeited.

20. The term specification mentioned cited in the schedule or in the estimate in the notified forms would mean "Specific" item of work to be done according to the instructions of P.W.D. with reference to design, calculation, etc., furnished during execution and no higher rates than tendered ones will be paid.

21. The contractor shall make use of any plant and machinery that may in the interest of speedy execution of the work be necessary to be made use of. If any departmental tools, plants, or machinery are required and if supplied departmentally, hire charges at the rate fixed by the Executive Engineer shall be recoverable from the contractor.

22. No correspondence will be entered into regarding the acceptance or rejection of any of the tenders.

23. The discretion of the Chief Engineer, Bangalore shall be final and binding legally on contractors on all matters of disagreement in respect of the work.

24. The tender should be submitted rates in duplicate. Only the lower rates in two copies will be adopted in the event of there being difference in the rates mentioned.

A. P. LAKSHMIRAJIAH,
189 *Ex. Engr.*

SAGAR DIVISION, SAGAR.

Tenders should be presented in the prescribed form obtainable on payment of annas four per form from the Office of the Executive Engineer, Sagar Division, Sagar, in a sealed cover and superscribed as "Tender for Construction of Revenue Sub-Division Officer, at Sagar." The name of the contractor should also be superscribed on the top of the cover.

3. Rates for individual items of work to be quoted in the tender instead of on percentage basis. Tenders received on percentage basis will not be considered.

4. Each tender must be accompanied by a duplicate chellan for having credited into the treasury, the deposit amount of Rupees noted against the work under "Revenue Deposits" as earnest money.

5. Items not covered by the estimate will be paid at the schedule rates of 1956-57 and items not covered by the schedule will be paid as per data to be worked out.

6. Tenders not accompanied by the treasury chellan for having credited the earnest money will be rejected.

7. Plans and estimates and other particulars can be had for inspection in the Office of the Executive Engineer, Sagar Division, Sagar, on all working days between 2 P.M. and 5 P.M.

8. The successful contractor should bind himself to abide by the departmental rules in force and should execute the necessary *rautchalika* within a fortnight from the date of receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

9. The final acceptance or recommendation for acceptance will rest with the Executive Engineer, Sagar Division, Sagar, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

10. No conditional clauses will be accepted.

11. The sales-tax and income-tax, clearance certificates should be produced along with the tender.

12. No cheques will be accepted for the earnest money and no request for the adjustment of the amount due by Government can be entertained.

13. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

14 The submission of tender by the contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

15. If the work is not completed and handed over within the specified time, a fine of Rs. 50 will be levied for every fortnight's delay.

16. The contractor has to pay compensation to the disabled workmen under him for any injury caused during the execution of this work failing which, the amount will be deducted from the bills and paid to the injured.

17. Such of the tenders that stipulate uncalled for conditions of rates for changed specifications other than those for which rates are asked to be quoted are liable to be rejected outright without assigning any reason whatsoever and the Department will be bound only to the conditions in the schedule of contract agreements to be entered into with the accepted tenderer.

18. Tenders should be submitted in duplicate and if there are any differences in rates quotedin between the original and duplicate the lower of the two will be taken for consideration.

H. S. NARAYANA SETTY,
288 *Ex. Engr.*

OFFICE OF THE EXECUTIVE ENGINEER No. 4, B.R.L.B.C. DIVISION BHADRAVATI.

Notification dated 13th November 1956.

186

Notification dated 20th November 1956.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, up to 4 P.M. on 11th December 1956 for the following work :—

Name of work	Amount of estimate	Earnest money on work portion.	Monthly progress
	Rs.	Rs.	Rs.
Extension of Primary School building at Amble, Chikmagalur Taluk.	12,000	600	2,000

1 The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

2 The tender will hold good till the acceptance or otherwise by the competent authorities.

3 For lumpsum provision or for non-tendered items, the rates will be paid as per current minimum schedule in the case of scheduled items and rate with 10 (ten) per cent profit for items which do not find place in the schedule.

4 No conditional clauses will be accepted.

5 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

6 Tenders will not be considered unless they are in the prescribed form, which will be supplied on payment of Re. 0—4—0 at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur.

7 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

8 Each tender should be accompanied by a Treasury challan for rupees as stated above as earnest money paid to the Treasury to the credit of 'Revenue Deposits'.

9 The final acceptance of the tender will rest with the competent authority. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, on all working days during office hours.

10 The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest Departmental Stores. An additional 10 per cent on cost of the materials supplied from the Department will be charged as centage.

12 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

13 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15 The Department does not undertake the responsibility to supply lorries to the contractor.

16 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17 The work should not be sublet.

18 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

19 The contractor should furnish income-tax and sales-tax clearance certificates along with tenders as per rules.

20 The contractor will, as far as practicable, recruit the personnel required by him through the nearest employment exchange in the region.

21 The contractor should furnish the tender in duplicate only.

22 Those requiring tender forms by post will have to enclose postage stamps to cover the postal expenses.

K. PARTHASARATHI,
Ex. Engr.

186a

CHITALDRUG DIVISION.

Notification dated 6th February 1956

Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 4 P.M. on 20th December 1956, for the following work :—

Serial No.	Name of work	Amount of Estimate	Earnest money deposit
	Construction of New Tank at Muthigarahally, Molakalmuru Taluk.	Rs.	Rs.
	(a) For Bund work ...	82,000	4,100
	(b) Constructing masonry core-wall ...	16,910	850
	(c) Constructing New Rough Stone Revetment ...	24,650	1,230
	(d) Miscellaneous works to Bund ...	1,616	80
	(e) Constructing a waste weir	22,000	1,100
	(f) Construction of a sluice	3,400	170

1. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Chitaldrug Division, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for ... ...(Mention name of work)." The name of tenderer should also be noted on the top of the cover.

2. Each tender must be accompanied by a treasury challan for having deposited the required amount as noted against the work, as earnest money under "Revenue Deposits". No cheque will be accepted for earnest money. Requisitions for adjustments of any dues from the Government to the contractor for earnest money will not be entertained.

3. The final acceptance of the tender will rest with the competent authority, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

4. The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval to him.

5. The earnest money of the rejected tenders will be refunded on application, only after any of the tenders is received approved or two months after the receipt of tenders if the tender of the successful contractor has not been received approved.

6. Copies of estimates and plan can be seen in the Office of the Executive Engineer, Chitaldrug Division, on all working days between 11 A.M. and 5 P.M.

7. Specific rates should be quoted both in figures and in words, for each individual item of work. Tenders offering percentage reduction, or increase will be rejected.

8. For all lumpsum items, only the minimum schedule of rates on data *plus* 10 per cent will be given if the rates do not appear in the Schedule of Rates. Rates need not be quoted for all lumpsum items.

9. All overwritings and corrections while submitting the tenders should be attested by the tenderer.

10. The quantities given in the estimate are only approximate and the drawing shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

11. The contract should not be sublet.

12. The contractor should make his own arrangements for transportation of materials.

13. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precautions against all risks of accidents and if necessary provide for the same by insurance at the proper time. The contractor should arrange for the payment of royalty, tolls, taxes, etc.

14. Tenders should be submitted in duplicate. The lower out of the two will be taken into account in case there is any difference in rates noted.

15. The sales-tax and income-tax clearance certificates should be furnished along with the tenders.

	Dt. Bd. work.					
1	S. R. to Kampli High School Building.	665	2	0	6	...

Each tender should be accompanied with a challan for the amount noted against each of the works towards earnest money deposit, income-tax and sales-tax clearance certificates. No tenders without these will be considered.

The earnest money to be deposited along with the tender should be remitted to Revenue Deposits for Government works and District Board General funds in respect of District Board works. The tender documents can be had from the Manager of Executive Engineer's Office on application and payment noted against the work (not refundable), on all working days from 11 A.M. to 5 P.M. from 19th December 1956.

The tender will be opened by the Executive Engineer at his office at 4-15 P.M. on 16th September 1956.

The recovery of royalty and deduction of voids on all materials will be effected as per the provisions in the Mysore P.W.D. Account Code for Government works only.

The contract should not be sublet. For each item of work individual rates may be quoted both in words and figures. The rates quoted shall hold good till the completion of the work.

For all lumpsum provisions details of works as per accepted quotation rates will be calculated and paid for as per actual quantities. For items not included in the estimate either schedule of rates or rate based on actual data will be paid for.

The successful contractor shall bind himself to abide by the departmental rules in force and shall execute the necessary agreement within seven days of receipt of intimation of acceptance of his tender failing which his earnest money deposit will be forfeited to Government in respect of Government works; for District Board works the earnest money deposit will be forfeited to District Board funds.

The final acceptance of the tender will rest with the competent authorities. The department does not bind itself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection, if any.

Quantities noted in the schedule are only approximate and are liable to alterations, omissions, deductions or any other additions at the discretion of the Executive Engineer or any higher authorities. The tendered rates will hold good for any quantity whether higher or lower than the schedule.

The contractor will as far as practicable recruit the persons required by him through the nearest Employment Exchange in the region.

In case of any accident to the labour employed by the contractor during the course of execution, the accepted tenderer should pay the compensation to the injured as per the rules of Government in force, failing which the amount will be deducted out of his claims and paid to the injured.

In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

All the other tender rules of previous years will also hold good.
